<b>Total</b>		<b>18,776,429</b>

For the purpose of this table:

- These figures do not represent the financial statements of the Foundation, nor have any legal value. Only the audited financial statements approved by the board and published on the website under the financial statements section are the valid and approved financial statements. These figures are posted for information purposes only and will be updated regularly, to ensure transparency of the foundation towards the public.
- These figures represent amounts received by the Foundation from 1 January to 31 December 2024.
- All amounts are mentioned in USD, but the amounts transferred by contributors may have been received in various currencies.
- Donations are received from individual or legal entities, either through the online tools provided by the Foundation or via bank transfers.
- \*All donors listed have agreed to be mentioned in this table. If such approval was not given, the donors are mentioned under "Name withheld by request". According to the Gift Acceptance Policy of the WHO Foundation, these donors are not anonymous to the Foundation.
- If one donor gave multiple contributions to the same purpose, the funds mentioned from this donor, in this table, are combined.
